Recommended accessories

- Bean container extension
- Cup warmer
-
- Coffee grounds disposal / drip drain set
- Smart Compact Payment Box
- Coffee to Go furniture range

The JX8 is incredibly versatile: it can prepare the full range of speciality coffees finished with milk and milk foam as well as black coffees and the classic pot of coffee. For tea lovers, it also prepares hot water at different temperature levels. With its solid, height-adjustable dual spout, it can create a speciality coffee – or even two beverages simultaneously – and dispense them into the cups or glasses, at the touch of a button. The handy cup positioning aid makes it ideal for self-service. The same goes for the large, clearly arranged preparation buttons. Different speciality coffees can be positioned wherever you like on the display, according to your needs. With the standard large water tank, the JX8 offers excellent performance whether in mobile use or in a fixed location.
