

Cashless Compact Payment Box

*VPOS accounting system kit from Nayax not supplied as standard

Accounting made easy

The compact, simple box with built-in MDB interface can be adapted to the user's requirements. Equipped with the Nayax accounting system*, the Cashless Compact Payment Box allows users to pay for speciality coffees by credit card. It is compatible with all Professional machines from the GIGA line. Messages are shown on the coffee machine's display, while price and product management is performed on the computer.

*not supplied as standard
