

RD58-OD

ON-DEMAND
COFFEE GRINDER

Machine specifications

The strong, compact, reliable and indestructible on-demand RD58-OD

Strong and compact electronic coffee grinder on-demand with Ø 58mm flat burrs. The aluminium and steel body and the powerful engine make it a reliable and indestructible work companion. The on-demand system of RD58-OD, grinds only the coffee dose required, in order to preserve the qualities contained in a roasted coffee bean.

RD58-OD - CHARACTERISTICS

- Coffee bean container capacity: 500 g
- Continuous micrometric grinding adjustment
- Easy-cleaning removable output
- Single dose supply in less than 3 seconds
- Single/double dose dispensing also by push-button
- Easy and intuitive multilingual digital display
- LED backlit capacitive controls with 7 different colors

OPTIONAL:

- Pressing unit applied under coffee grinder display
Available in the following dimensions: Ø 53; 54, 5 o 57,5 mm
